## 1.0 MANAGEMENT RESPONSIBILITY

### 1.1 Quality Policy Statement

The primary objective of Q Tech Solutions Ltd is to satisfy fully, and exceed the expectations of all our Customers by setting, and exceeding the highest standard possible for the provision of Quality Products, Innovative Technical Expertise and Quality of Service in the supply of Management Consultancy and Training Services. As a means of continually improving our performance Q Tech Solutions Ltd shall establish and maintain a Quality Management System covering the requirements of ISO 9001:2008. This shall be supported by:

- Meeting all applicable Legislative requirements.
- Ensuring Quality is a line management responsibility and that we are responsible for performing our work in such a manner as to meet our Quality requirements.
- Encouraging opportunities for continual improvement in the quality of Service and Performance across all areas of our business.
- Creation and Review of Quality objectives.
- Provision of Training to maintain and extend our competencies.
- Conducting Management Reviews to monitor the overall effectiveness of the Quality Management System and facilitating changes as necessary.

This policy will be implemented through the systematic application of excellence in Management Consultancy Services, and quality management to all activities.

The Managing Director bears the responsibility for implementing and maintaining this Quality Policy at all levels throughout the Company.

Signed
